OCTOBER 29 - 30, 2019
CASABLANCA, MOROCCO
5TH EDITION

WHAT IS **AEROSPACE MEETINGS CASABLANCA**?

AEROSPACE MEETINGS Casablanca is a platform for big players to connect with companies offering the right capabilities and services through our matchmaking program.

For suppliers willing to increase their businesses in Morocco, this is the only venue where they can meet these important OEMs and Tier 1 without having to travel through the entire continent.

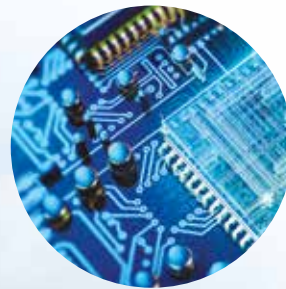

Aerospace Meetings Casablanca emphasizes on the combination of targeted one to one meetings and awareness of sector evolutions. It is not a traditional trade show but a genuine B2B platform which provides a remarkable opportunity to identify potential partners, customers or suppliers. This focused event will help you save a tremendous amount of time and meet relevant contacts in just 2 days.

THE BEST DESTINATION FOR AEROSPACE SUPPLIERS!

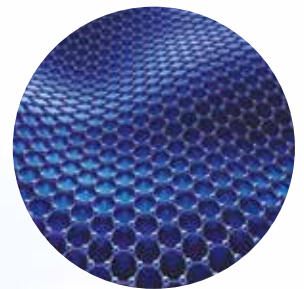

For the past few years, the Moroccan aeronautics sector has developed at an outstanding rate. In 2018, the industry had generated a turnover of \$1.2 billions with an annual growth rate of 18%. Thanks to the Morocco Acceleration Plan, the kingdom can pride itself with the support of prominent aerospace companies such as Bombardier, Airbus, Boeing, Safran, Daher, Eaton, Stelia and many more... New high added-value businesses, careers and innovative technologies are emerging, especially in wiring, mechanics, sheet metal work, composites and mechanical assembly. By being close to Europe and being at the crossroad to the US and Asia, Morocco has proven to be a destination of choice for global aerospace investors.

HIGHLIGHTS

ONE TO ONE MEETINGS

BCI Aerospace pre-arranges meetings for the supply chain, procurement, technical teams, suppliers and contract manufacturers based on their own choices prior to the event. This is an outstanding tool to save time, meet the right people and discuss their requirements and capabilities in just 2 days.

CONFERENCES & WORKSHOPS

Aerospace Meetings Casablanca offers a must attend conference program on aerospace and its digital transformation. These are excellent opportunities for professionals to share experiences and better apprehend and comprehend the market and scientific, industrial, technical and commercial evolutions.

VISITS TO AEROSPACE FACILITIES

Moroccan facilities open their doors for a limited number of participants during the event. It is the perfect addition for anyone looking to invest in Morocco to get a full 360° vision of the aerospace market.
